EDUCATION AUSTIN

SUBJECT: SALARY INCREASE FOR 2009-2010

Pending approval from the Board of Trustees, the identified parties hereby agree that beginning with the 2009-2010 school year salary schedules for teachers, counselors, librarians and speech pathologists will be improved by \$950 plus a step of between \$100 and \$600. All additional salary schedules represented by Education Austin will be improved by 3.0% utilizing a mid-point salary application. In order for this salary increase to occur, Education Austin commits to working cooperatively with the district to address and implement real and permanent financial savings, acknowledging that a balanced and healthy budget cannot be realized in spending down undesignated fund balance as the primary or sole solution.
