

## Donate to our efforts!

All of our work is possible due to the hard work of our volunteers. If you would like to help us out please see some of the suggestions to help us.

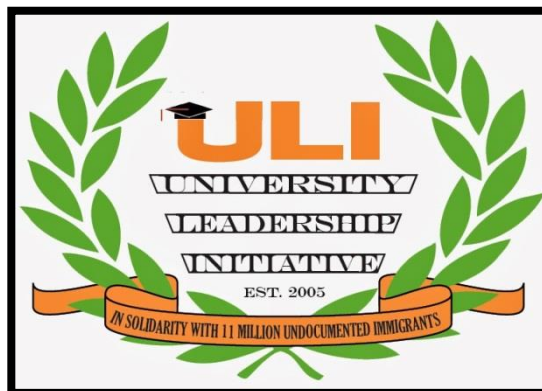

- Volunteer with us!
- Donate supplies!
- Donate food or drinks!
- Monetary donations!

If you would like to volunteer or donate, please contact one of our Team Leads and they will work with you.

**Thank you!**

## Our goal

The University Leadership Initiative (ULI) harnesses the talents, abilities, and determination of its' members to affect a long-term change in a proactive manner. Specifically, ULI conducts outreach at local, state, and national level to address the dilemma faced by the 11 million undocumented immigrants who call the US their home, yet are constantly in fear of deportation.

The DACA & DAPA team hosts info sessions to inform the community about the DACA & DAPA Programs and latest updates relating to these programs. In addition, they also host free clinics to help the community apply for the benefits of these programs.

Volunteers after a DACA Clinic where we helped around 20 dreamers apply for DACA.

## Our Process

### 1. Informational Session

In our info session we present over the history of the movement, overview of program and requirements and we also have a Q & A with an attorney towards the end of the info forum. We also provide the community with resources that they will need to prepare to apply.

IT IS MANDATORY TO ATTEND AN INFO SESSION IN ORDER TO ATTEND A CLINIC!

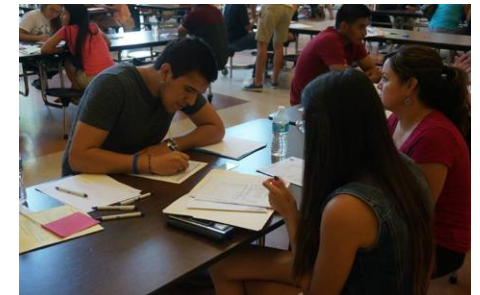

### 2. Follow-Up Calls

A couple of weeks prior to the clinic, one of our Team Leads will call the applicant to ensure they are prepared to attend the clinic. They will go over several screening questions to verify that you are eligible to come to the clinic and also verify you have the necessary documents. They will also answer any additional questions you may have before the clinic.

### 3. Free Clinic

In our clinic, an applicant will receive assistance in document organization, completion of application, and attorney review. If necessary, we also take your passport photos and translate birth certificates.

We hope that by the end of our process, you will be ready to go to attach the money order, go to postal office, and send your application to USCIS.

### What is DACA & DAPA?

DACA stands for Deferred Action for Childhood Arrivals and DAPA stands for Deferred Action for Parents of American Citizens and Legal Permanent Residents. Both programs provide temporary relief from deportation, social security numbers, employment authorization, and in some states, a driver's license.
